APPLICATION REQUIREMENTS:

By checking this box, I acknowledge that the Global to Local program requires me to participate in **at least** 40 hours of fundraising and outreach during the year prior to the trip. I also understand that I am required to facilitate a Volunteer Project during the year after the trip. I acknowledge and agree to present Global to Local's short documentary about our trip to at least three groups of people upon our return. Lastly, I understand that the final step of the application process will include a **full-day hike on September 14th**, and that my application is incomplete until after successful participation in that day-long event. I acknowledge that the costs of required vaccinations and my passport application will be my responsibility.

I have completed the scholarship application portion and the written response (page 2).

GLOBAL TO LOCAL SCHOLARSHIP APPLICATION:

We are asking students to identify how much of the total cost of the trip (approx. \$2500, not including passport and vaccination fees) will be covered by Global to Local Fundraising. Please identify the amount of financial support you will be seeking from Global to Local. Scholarship levels will not impact the volunteer or fundraising requirements, nor will they guarantee you a spot or preclude you from participating.

- Option 1: No scholarship. I will be able to pay the entire cost of \$2500.
- Option 2: 25% scholarship. I will be able to pay \$1875. I will rely on Global to Local fundraising for the remaining amount.
- Option 3: 50% scholarship. I will be able to pay \$1250. I will rely on Global to Local fundraising for the remaining amount.
- Option 4: 75% scholarship. I will be able to pay \$625. I will rely on Global to Local fundraising for the remaining amount.
